

Mr. Davis,

There are no words to express my gratitude for what you have done for me and keep doing. Helping me continue my education towards my goal of becoming an RN (Registered Nurse). It means a lot that just one person can believe in me; And I thank you again, Mr. Davis, for everything you do; Not just for me but for the others too. Cause every one needs someone to believe in them and their dreams big or small. And you have taken time out of your life to make sure I am on the right track on doing what I said I was going to do. I am ~~at~~ will be graduating June 22nd 2010 from Sutter County one-stop from their CNA Class. ~~so~~ I will be able to work in rest homes, senior homes, and rehab facilities. Then I plan on going to Botte, Yuba or a training school for my RN degree. All of this couldn't have happened if you weren't generous enough to take the time and read my letter for the scholarship and have believed in me that I could succeed in my dream. I thank you Mr. Davis, I truly do.

Sincerely

Kayla L. Morrissey
