Crowne Plaza Anaheim Resort

### **CALL FOR PROPOSALS**

**“STICK YOUR NECK OUT FOR KIDS!”**

Many students enter school with problems and issues that prevent them from having a successful educational experience. Through the intervention of school personnel, community agencies, and collaborative partnerships most of these problems can be addressed within the school environment. These efforts truly illustrate that CASCWA members and their partners care for kids and are willing to stick their necks out for them. The purpose of this conference is to look at the problems and possible solutions that schools and the community can provide these students and their families.

Proposals are being sought for the conference program. Proposals should include the following information:

- **Presenter name(s), affiliation, contact information (including e-mail)**
- **Session title, abstract (50 word maximum), and summary (300 word maximum) including information as to how the proposal addresses serving students**
- **Session format - lecture or panel presentation**
- **Presenter(s) vita - brief**

Proposals may be submitted electronically to Jerry Hime, conference planner, at [gjhime@earthlink.net](mailto:gjhime@earthlink.net) or via mail to P. O. Box 4223, Huntington Beach, CA 92605.
