**SAUNDERS REMINDS US THAT CASCWA MAKES A DIFFERENCE FOR CHILDREN.. AND FOR YOU !**

**KAREN SAUNDERS**

State President  
CASCWA

implementing policy and procedure and meeting... meeting... meeting.

Welcome ! to all of you, continuing CASCWA members and new members. As Child Welfare and Attendance professionals, I know that you have been busy during the summer and fall assisting with enrollment at traditional / year round schools, investigating and granting permits, conducting expulsion proceedings, helping with enrollment documentation, reviewing new laws, writing and implementing policy and procedure and meeting... meeting... meeting.

The summer and fall are always a time of new beginnings and the CASCWA State Executive Board and Sections are awaiting our membership drive. CASCWA has always been an organization of Fellowship, Leadership and Children. We are always continually working to improve the lives of children and their families through an educational program which assists students in the completion of their education. To achieve this goal a great many families receive a great deal of assistance and support from CASCWA personnel. We spend much of our time working to train school personnel to assist students and families in crisis and also many hours working directly with families. I believe that creativity and success in CWA go hand in hand. Creative solutions in placement, programming, community service referrals, alternative education programs, tutoring, social service connections, child care, gang prevention, probation involvement, adopt a student programs, and successful community partnerships are all the every day work of CWA. This is truly a job in which you have the opportunity to make a difference, and you do every day.

We are hoping this year to make a difference for you. The State Board is continuing its efforts to influence legislation effecting children and is working to expand our influence in Sacramento. Two state conferences have been scheduled this year, San Francisco in the fall and Palm Springs in

the spring. We know that these conferences provide our membership with vital information and a chance to meet with and to share ideas with other CASCWA members. Both conferences are well planned and will offer some beneficial workshops, and two great locations for you to rest and relax while you learn. We also have some fun events planned for the evenings.

I hope that many of you will get a chance to attend a conference; this is the time to meet with you and to listen to your concerns. We are also hoping to improve our membership and many of the sections are offering excellent local workshops. Watch for the information and contact the section presidents for workshop dates. Plan on attending one event this year and bring along a potential new member. Thank you for your continued organizational support and.... see you in San Francisco.

*Creating a network of mutual support and professional growth*

*Working to impact legislatioun and policies relating to minors; and*

*Advocating for children*

**INTERCOM**

**KITADA SEEKS REVITALIZATION FOR DELTA SIERRA SECTION**

**TAD KITADA**

President  
Delta Sierra Section

Delta Sierra is gearing up for another year after a successful 95-96. Some of our highlights include a fabulous fall conference at beautiful Granlibakken, Lake Tahoe. We conducted three outreach workshops for public relations and education. These workshops were held in Red Bluff, Sacramento and South Lake Tahoe. Attendance was high and so was the interest to join CASCWA

Ted Hobbs, South Lake Tahoe High School, was selected as our region's outstanding service

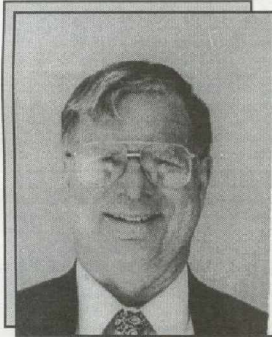

recipient. His energy and passion For our organization has helped to revitalize Delta Sierra. Good job Ted !

The Richard Davis Scholarship was awarded to Beth Jones. Richard received a wonderful thank you letter from the recipient. Everyone should feel proud.

A major goal is revitalization of membership. We found a warm welcome in the north state and found a good number of CWA and probation people who encourage us to continue our outreach .

### PRESIDENT OF SAN JOAQUIN SECTION CALLS ON STALWARTS TO ORGANIZE FALL SECTION CONFERENCE

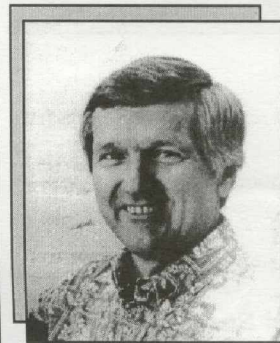

**J. GALEN WRIGHT**  
President  
San Joaquin Section

In another arena, thanks for your help, Gil Awalt, in presenting the region report at the first Executive Board meeting of the year -- and for handing over such a complete binder (35 lbs. worth)

The map I inherited shows the San Joaquin Section to be comprised of 13 counties, including Monterey and San Luis Obispo on the Pacific Coast and Inyo on the other side of the Sierras ; so, announcements of the Bass Lake conference were sent out far and wide to over 370 persons/districts encouraging new or renewal of membership in CASCWA . If this constitutes an invasion into someone else's territory, I apologize. I'm far more receptive to correction than Saddam.

Class size reduction adds a little spice, doesn't it ? Here's to you... may this school year renew your hope and provide you with satisfying experiences.

### KAUBLE AND SOUTHERN SECTION FINALIZE PLANS FOR SPRING PALM SPRINGS CONFERENCE

**PHIL KAUBLE**  
President  
Southern Section

This year's meeting will be held in the Marquis Hotel in Palm Springs. In case the location sounds familiar, it should. The Marquis was the site of the

Many stalwarts of CASCWA assured me not to worry, they would help whenever and however needed. True! Al Baum, Daryl Mehrten, Ruben Rodriguez and Sam Vaughn have been prime movers in setting up our regional Bass Lake kick-off conference, scheduled for September 27 and 28. The agenda, presenters, facilities.

All promise to be professionally and personally rewarding. Be there in a real and existential sort of way !

State CASCWA Spring Conference and it will be again the site for this year's spring conference scheduled for April 30 through May 2, 1996. Look for additional information about the conference in future editions of an official CASCWA publication.

Before I get too carried away, let me introduce you to this year's Southern Section Executive Board. Since this is the second year of my two year term, the position of immediate past president will remain vacant for one more year; however, by the powers vested in me, I have appointed Agnes Moss as my special assistant. The other positions would unfold as follows: President Elect, Mark Michaels; Vice President, Frank Boehler; Secretary Bette Folsom, and taking care of the money will be Cecil Muncey.

Program activities for the year will again highlight our ongoing series of legal forums, a theme we started in 1995-1996 and hope to continue right through the spring conference. On November 1, 1996 Southern Section will host this year's first legal forum in San Diego and feature a panel of legal experts who will focus on the latest tool in the CASCWA arsenal, the daytime anti-loitering, anti-truancy ordinance.

On December 1, 1996, we will move up the coast to Orange County and address the issue of "school uniforms". This topic continues to generate a lot of interest.

Following the December meeting we will focus our energy on the spring conference; that alone should be enough to keep us out of trouble.

That's it for starters. We hope to see you all at the Fall State Conference in San Francisco !

### BAY SECTION FALL CONFERENCE READY TO GO !

**SHIRLEY KERSTERKE**  
President  
Bay Section

We have been busy this summer working on the Fall Conference in San Francisco on November 6, 7 and 8, 1996. Bob Brazil has been working full time on the conference and he is supposed to be retired! We have some exciting keynote speakers, a variety of workshops and an improvement fair. Plan to come early and stay through Friday night. The flyers have been mixed with the

registration packet. We only have 30 seats reserved for Beach Blanket Babylon, so get your reservation in early. We look forward to seeing everyone in November.

We are planning our fall kickoff meeting on October 4, 1996. We will enjoy appetizers while socializing with our colleagues and finalizing job assignments for the conference. In the next newsletter I will have a schedule of all of our

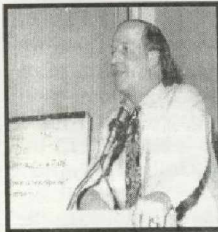

meeting dates for this year.

I am looking forward to this year as President of Bay Section. So much needs to be done to really help the students and their families that we work with. We need to continue working with the legislators, law enforcement, probation and the juvenile justice system to effect change. I have been working on a prevention program for 601's, which you will be hearing about as the year goes on. My proposal is being reviewed by the Office of Juvenile Justice and Delinquency Prevention in Washington D.C. More on that later.

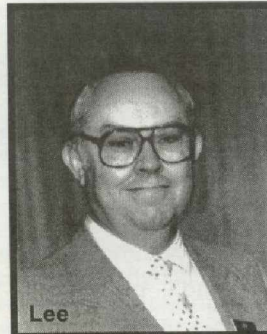

I hope you all have a good year and we will see you in November.

### JOHN BURTON TELLS SPRING CONFERENCE THAT INTERNET IS HERE AND WE HAD BETTER BE WITH IT !

Ever heard of **Sybil Liberty** ? You probably will, and pretty soon: this is the ACLU's Internet character who gives all types of information to students to assure that their rights are maintained under the law. We can't fault the concept, but it means we had better be aware of what Sybil has to say, because your students very well might. John no longer uses a text in his school law class... the legal resources available are awesome and difficult to do justice to in a short newsletter. The material below might get you started.

### CASCWA STATE OUTSTANDING SERVICE AWARD RENAMED LEE LUNDBERG RECOGNITION AWARD IN MEMORY OF LEE

Lee

Those of you who might think CASCWA and the Board are making too much of the passing of Lee Lundberg simply don't know the magnitude of his contribution to CASCWA, kids, schools and to anyone who works in the general area. Few other tragedies could make the CASCWA Board look at one another and ask, "What Now?" We will survive, but it is difficult to assess how much

CASCWA depended on Lee and his seemingly tireless input. The Legislature of the State of California felt the same, as it adjourned in Lee's honor on the day of his passing. The State Executive Board has renamed the Annual State Outstanding Service Award in his honor. It will now be known as the Lee Lundberg Recognition Award in Memory of Lee Lundberg. In addition a one time scholarship has been established and is now accepting contributions. Forward to **Frank Boehler, CASCWA Treasurer, Orange Unified School District 1401 No. Handy St., Orange CA, 92677.**
